

City Mayor

Mayor Cynthia Atencio

catencio [at] bloomfieldnm.gov (Email)

I graduated from Bloomfield High School in 1988. I started working in Government in 1996. I worked for the City of Bloomfield for 18 years. I assisted the Chief of Police in maintaining and adjusting the Department budget accordingly. I served as the Grant Coordinator, working with State and Federal agencies to acquire, maintain and report grant funds. In 2014 I pursued a career in the Natural Gas industry. My time away helped me to see the private sector and how it functions.

I was elected Mayor in March of 2018. Bloomfield is my home, the only home my husband and children have ever known.

I am an avid supporter of our Youth in our Community and the programs that nurture them. Our future is our children. I have worked with our City Council to support the Bloomfield Boys & Girls Club. We are continually working together to invest in our future for all of our Citizens.
